“*Toda raba*” - Thank you very much!

Thank you to our loyal sponsors, donors, and individuals who made a difference and assisted us to get through this past year, by contributing your time, effort, and funds. Agudas Israel Synagogue could not continue without your ongoing commitment and generosity.

Thank you to Richard Kline (pictured on this year’s cover) for all you do for Agudas Israel. We are so fortunate to have you inspire us with your beautiful voice and to guide us through our services. Your time, effort and preparation does not go unnoticed. We are also so fortunate to have Cantor Barry Butenski and his wife Illisa who traveled to our synagogue to lead us through our holiday services. We appreciate your dedication and talent.

Thank you to those who have been attending weekly zoom Shabbat services. We are grateful for your participation and presence.

PRESIDENT'S MESSAGE

My future hope - I am looking forward to more gatherings and activities together in 2022. I'm so grateful we have moved forward with in-person events and with our virtual Zoom connection for those who cannot attend in-person. We shared special memories gathering in our spectacular sanctuary. We prayed together for Rosh Hashana, Yom Kippur, Hanukkah and the Menorah candle lighting ceremony at Hazleton's City Hall, ending 2021.

Reflecting back to one year ago, we have come a long way from uncertainty and challenges. We all must thank the special people involved in the planning of these activities and utilizing the technological components to make these events possible for us to reunite. We are fortunate to have our local and out-of-town sponsors, donors and those individuals who made the commitment and stepped up to carry on our beautiful traditions. I appreciate the effort and inspiration of those who helped me through not-so-easy times since I became President.

Change is not easy and with new safety guidelines to follow, I am extremely proud to say we did it! We have maintained and grown spiritually and intellectually despite the many challenges we faced which tested us to gain new insights in Judaism. This shows the strength of our longing commitment and determination to stay healthy and pray together. It took a great deal of time and hard work throughout the year to get to this point, let's keep it going forward.

We are a small but mighty family who cherishes our rich history and traditions. Our commitment and strength is vital to preserve and continue the history of Agudas Israel and keep the heritage of our ancestors alive. We need more members to pay it forward with their effort, time and energy to ensure our future. As I said during Hanukkah, "our miracle of light comes through our people's dedication to keep us alive and moving forward into 2022". Our special light will continue with your help.

While I look forward to our weekly Shabbat zoom services, there is no substitute for in-person handshakes and interactions. At this time, zoom allows us to pray, sing and socialize. I can't wait for us to join together inside our chapel and sanctuary since it feels so good to be back in our spiritual home!

I hope to see you all in the very near future at our services, events, activities and programs. Stay safe and be well!

Debbie Walko
President of the Board of Directors
