

DOROTHY TAUB

"Blessed are those whose trust is in the Lord. For they are like a tree planted by water, that sends out its roots by the stream, and does not fear when heat comes, for its leaves remain green, and is not anxious in the year of drought, for it does not cease to bear fruit."

-Jeremiah 17:7-8

# REMEMBERING DOROTHY TAUB

Dorothy was a trailblazer in the financial world as a vice president for 34 years of the national financial advisory firm of Janney, Montgomery, Scott, in the firm's office in Hazleton. Dorothy had so many special gifts, one of which was helping so many of her clients achieve and maintain financial success and security. Dorothy was also a huge theatre fan, and enjoyed seeing many shows on Broadway, reflected in the calendar cover.

Dorothy also had the unique ability to maintain relationships with her family and friends far and wide, and always stayed in touch with everyone in her life. Every person whose life Dorothy touched truly loved, respected and adored her, and each will miss her so very deeply. Dorothy was such a special person who radiated warmth and lit up every room when she walked in, touching the hearts and lives of everyone who was fortunate to know her.

"Anyone who knew my mother knows how devoted she was to her family, the synagogue and all of her friends. She was very bright, beautiful and unaffected. She was the most generous and loving mother and I miss her so. I was the luckiest daughter in the world and to have had her for the years that I did."

-Judy Gundling

In 2018, Dotty Taub emailed me this note from her new home: "I miss all my extended family of the shul – living and gone!!!!!" Now, Dotty, we have all been missing you! The memory of your ever-smiling face is truly a blessing."

-Richard Rockman

"Dotty Taub was very much a part of our past centennial as she helped set up the financial well being of our synagogue as we know it. She was a woman before her time in being very savvy with the stock market. We are dedicating this year's calendar to Dotty for all of her hard work in investing for the future of AIC. May she rest in peace."

-Debbie Walko

"Our honoree Dottie Taub was a light unto all who knew her. She spread love and joy through her positive personality and 'joie de vie' love of life. She broke 'glass ceilings' in the financial world. Dottie had a passion for theatre, the arts, fine dining, entertaining and an uncanny loyalty to family and friends. I cherished the years she graced our family table during numerous holidays. Our Sisterhood financial footing is still generating revenue due to her business acumen. It was an honor and privilege to be thought of as her friend."

# CHANUKAH DELI DINNER DEC 2021

# *A message of gratitude from AIC Board President, Debbie Walko*

Birthered at the turn of the 21st century by Dr. Martin Seligman, Professor at the University of Pennsylvania, positive psychology has, from its inception, been unabashedly influenced by ancient philosophical and religious wisdom, embracing teachings and values found in Judaism. Timeless Jewish virtues and values such as justice and fairness, love and compassion, prudence and temperance, forgiveness and wisdom, spirituality and hope are all integral to positive psychology” quoted by Rabbi Rick Schechter, a graduate of Hebrew Union College-Jewish Institute of Religion, who is the spiritual leader of Temple Sinai of Glendale, Ca.

Scientific research confirms much of what Judaism has been doing and saying all along. The importance of giving thanks and expressing appreciation through daily blessings for food, beauty in nature, and all the joys of life are meant to cultivate our gratitude to God. Studies show that positive interventions build one’s sense of gratitude and that a daily practice of gratitude can increase happiness and decrease depression.

Judaism and positive psychology both are focused on living a life of meaning and achieving higher levels of well-being. Positive Judaism teaches us that gratitude will come from being thankful. Hope will come with an optimistic mindset. Humor is necessary for laughter and a joyful heart makes for good health. Spirituality comes from having faith and a connection to the unknown. And all of this equates to Jewish TRADITION. So continuing in this thought process.....

We are very fortunate to have the dedication from Richard Kline and his family which encapsulates four generations of the same devotion. We are pleased to have him as our Ritual Leader who diligently leads us in prayer for Shabbat and holiday services. We also recently enjoyed dining with him in our new and improved cozy Sukkah, which was a nice addition to our enclosed parking lot this past year.

Marlene Leonard, along with being the Vice President of the Board, Events Decorator, Library Organizer and is now also our Cuisine Kitchen Artist. Marlene has been creating

delicious food for our weekly kiddushes. Please come and be a part of our Shabbat services; enjoy the mitzvah of being that 10th Minyan person and enjoy indulging in Marlene's delicious food creations!

We are thankful for Sara Friedman who has gifted us with her innovative journalistic creativity as she provides us with our monthly Agudagram bulletin. Sara graciously furnishes us with our weekly news correspondence, Facebook messages and Zoom service links. Please indulge in reading and enjoy!

We are grateful for Christina Ferry, our Office Manager, and her technical talents. Not only does she hold everything together in the office and with building issues, she has now taken on the task of overseeing our Jewish Community Center. As you can see, she has done a wonderful job designing this year's calendar.

Jimmy Leonard is the craftiest building maintenance person we've had. He definitely reminds me of how skillful my father, Myron Brenner, was with his ideas and creativity in fixing things.

We are so grateful to have such wonderful staff members at Agudas Israel to take us into the next centennial. In this upcoming year of 2023, we are looking forward to our 100th centennial year celebration of the Agudas Israel building at 77 North Pine St. The members of our committee are excited to be planning two very entertaining events - one located at our beautiful synagogue and the second one at the newly, elegantly renovated Valley Country Club in Conyngham. More details to come. We are so thrilled to carry on the AIC torch into the future.

The Board of Directors and I wish you all a year filled with gratitude, hope, humor, good health and spirituality. Happy New Year!

Sincerely,

*Debbie Walko, President of the Board of Directors*

A message from Agudas Israel's ritual leader,

Richard Kline:

As a religious community, it is important for us to be able to pray together on a regular basis. The pandemic made this difficult. Zoom made it possible to come together online. We began weekly Shabbat services using zoom. But it was not the same as having services in our beautiful sanctuary. At the end of 2021 we had High Holiday services in our synagogue with the ability of people unable to attend to join with Zoom. This year we began having Shabbat service in our synagogue with those who could not attend be present through Zoom. We also celebrated our holidays in person and with Zoom, including the High Holidays, Sukkot, Shemini Atzeret, and Simchat Torah. This would not have been possible without the commitment of our synagogue leaders and members.

May the coming year be one of health and happiness.

Richard D. Kline
